Girls

Girls

Girls

Yellow

red

black or white

add a little bit of moonlight

For this intercontinental romance.

Shy girl

sexy girl

they all like that fancy world

Champagne

a gentle song and a slow dance.

Who makes it fun to spend your money

Who calls you honey

most every day.

Girls

Girls

Girls - Girls

Girls

Girls.

Well

they made 'em up in Hollywood

and put them into the moviel

Those lovely photographic splendours;

In and out of magazines

Miss World and beauty queens

Falling in love with the real big spenders.

But although their world may be frantic

They're still romantic

in their own way.

So hop on

the world is swing.ing.

Don't sit and twiddle your thumbs.

Get up and meet those pretty Girls

Girls

Girls.

Step on

the world keeps swinging.

Put on the dazzling charm.
Get up and find those pretty girls.
But don't rush
keep it nice and gentle
And sentimental
for that certain moment.

Moonlit oceans
girls full of emotions
Stepping on that slow boat to China;
And next door
in Japan
they know how to please a man
Dropping in for tea with my geisha.
They've got that old-fashioned feeling
When it comes to pleasing
they know their way.

So hop on
the world is swinging
...

When you draw back the curtain.
Hop on
the world is swinging.
Don't sit and twiddle your thumbs.
Get up and meet those pretty girls.
