Rap:

"Well it's a karma chameleon, a sunshine day  
Me want you to listen up and sail away  
Drink champagne and wash me blues away  
And it's a karma chameleon, karma chameleon"

(Chorus):

Karma karma karma karma karma chameleon  
You come and go, you come and go  
Loving would be easy if your colours were like my  
dreams  
Red, gold and green, red, gold and green

Desert loving in your eyes all the way  
If I listened to your lies, would you say  
I'm a man without conviction  
I'm a man who doesn't know  
How to sell the contradiction  
You come and go, you come and go  
(Repeat chorus)

Every day is like survival  
You're my lover, not my rival  
Every day is like survival  
You're my lover, not my rival  
(Repeat chorus)
