I hear a Knock Knock (Who there?)
It's a lonely heartbeat tolling
I think I'm falling in love

(Repeat chorus)

(Falling in love... falling in love... falling in love... I hear

Who's there (It's the birds and the bees calling)
I think I'm falling in love
Who's there? (It's a lonely heartbeat calling)
I think I'm falling in love
(Repeat chorus)
I hear a knock knock.
