"Nothing At All"

You've been there for me
No matter what the cost
My best friend since we
Believed in Santa Claus
You have always stood beside me
And I want to let you know

I'll be the one who hears your prayer
Don't have to ask me, I'll be there
I'll be the friend you'll never have to do without
When you have nothing at all
You'll still have nothing to worry about
Oh nothing at all

When I was lost inside
A forest of dismay
You always knew just how
To help me find my way
In a world that's so uncertain
I will promise this to you

I'll be the one who hears your prayer
Don't have to ask me, I'll be there
I'll be the friend you'll never have to do without
No...
When you have nothing at all
You'll still have nothing to worry about
Oh no...when you have nothing at all
You'll still have nothing to worry about
Oh nothing at all...oh.
