"Only A Memory Away"

Visit "[Only A Memory Away](#)" on MotoLyrics.com

I hear the voice of my destiny call
And I know I must go find my way
The hardest part will be leaving you all
And I'll miss you much more
Than words can say

CHORUS:

I'll be only a memory away
If you need me
You can call me any time of day
And I'll be there, It's OK
Only a memory away
My intuition says something is wrong
My friends said they'd come and say good-bye
I can't go until I know what's going on
I fear there is danger somewhere near by

REPEAT CHORUS

We've been together through good times and bad
You've always been there for me
I'll always treasure the best friends I have
Eternally

REPEAT CHORUS
