Fighting evil by moonlight
Winning love by daylight
Never running from a real fight
She is the one named Sailor Moon
She will never turn her back on her friends
She is always there to defend
She is the one on whom we can depend
She is the one named Sailor Moon
She is the one named Sailor...
Sailor Venus!
Sailor Mercury!
Sailor Mars!
Sailor Jupiter!
With her scouts to help fight
She is the one named Sailor Moon
She is the one named Sailor Moon
She is the one... Sailor Moon!
