A crash of thunder  
A brilliant flash of light  
A battle has begun  
And only one will win the fight  
Danger in the air  
Destroying everything in sight  
The time has come to right the wrong  
With Prism Power might!  
She's got the power  
Oh, she's got the power  
She's got the power  
Yeah, she's got the power  
A desperate struggle  
The strongest takes it all  
The battle rages on  
Until the weakest finally fall  
A vision fills her heart  
And gives her strength that's pure and true  
And when it seems that all is lost  
She knows what she must do  
She's got the power  
Oh, she's got the power  
She's got the power  
Yeah, she's got the power
