(Chorus):

Two ladies on the corner
One keeps watch as the other puts her make-up on
Two ladies on the corner
Out for a catch, they're gonna try and pin the swingers
down, boy!
They've got that certain kind of smile
Bound to drive you wild or crazy
But it's alright, for they're not gonna bite you boy
It's o.k., they're only looking for a little joy
Out looking at the passers-by, underneath that sunny
sky
So, if you're looking for a good time now
You better hurry it up, hurry it up, don't be shy
But hold on, you better think about what to say
Play it cool, or you'll never get it on today
Just talk about love and sweet romance
(Repeat chorus)

Out looking at the passers-by, underneath that sunny
sky
So, if you're looking for a good time now
You better hurry it up, hurry it up, don't be shy
Bet they know how to fix it when you feel alone
Just a smile is enough to make you feel at home
Out looking for love and sweet romance
(Repeat chorus)
Crazy!
Two ladies on the corner (two ladies on the corner)
Two ladies on the corner (two ladies on the...)
Doo do do doo do do doo do do doo do do do - bop!
Two ladies on the corner
