I wanted to meet up with Vera
(You mean Vera from Veracruz?)
Yeah, I don't mean her sister Sara
(You mean Vera from Veracruz)
They tell me she wants a young marinero
(You mean Vera from Veracruz)
Yeah, with plenty of time
With love on his mind
Con mucho dinero
Vera, Vera, Vera from Veracruz
Vera, Vera from Veracruz
Oh Vera, Vera from Veracruz
Vera from Veracruz

I've got to meet up with Sara
(You mean Sara from Veracruz?)
Yeah, I couldn't get on with that Vera
(You mean Vera from Veracruz)
She told me she's looking for a marido
(You mean Sara from Veracruz?)
No, I don't mean Sara, I'm talking 'bout Vera
Mi llama stupido

Sara, Sara, Sara from Veracruz
Vera, Vera from Veracruz
Oh Sara, Sara from Veracruz
Vera from Veracruz

(Mi llama stupido)

Sara, Sara...
Vera, Vera...
Sara, Sara from Veracruz
Vera...
