SERENA:

You say you're cool
And you're strong
You say you'll lead
And I should tag along
But would you cry? Huh
You'd be a mess
If we just showed up at a party
In the same new dress

RAYE:

You say you're brave
Sailor Scout
But it's too late, to tell me that you
Don't ditz out
Cos spacey things
That you've said
Prove that you've got moon rocks rolling
In your head

Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?

RAYE:

When it's time, to stand and fight
You'd rather pine for that cute guy
That you met last night
And when you're scared
You run back home
Solving every problem with an
Ice cream cone

SERENA:

You're all talk, non-stop
You think it's oh-so-cherry
In the leader's spot

You say your way
Never fails
Well I might as well sit home
And paint my fingernails!

Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?

TOGETHER:

I hope you know
If today it doesn't show
You are my friend (you are my friend)
That doesn't mean
That when we've had it
We won't go at it again and again!

SERENA:

You've got brains, I've got guts

RAYE:

If I'm a pain, well you're a clutz!

TOGETHER:

Oh it's insane
How we drive each other nuts (it's true!)

Who do you think you...
Who do you think you are

Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?
Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?
Who do you think you are?
(Who do you think you are?)
Who do you think you are?

(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?
Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?
Who do you think you are?
(Who do you think you are?)
Who do you think you are?
(Who do you think you are?)
You say you're the best by far?
(Who do you think you are?)
Who do you think you are?

S: I can't believe that you wanna be leader!

R: Huh, well I should be, because you're such a
Meatball Head

S: Oh yeah, i've got you out of plenty of messes
before!

R: That's nothing compared to the mess you make
when you eat!

S: I do not!

R: Do too!

S: I do not!

R: Do too!

S: Well I'm the leader and that's that!

R: Well why should I to listen to a ditz like you?

S: Well maybe because I'm Sailor Moon, champion of
love and justice!

R: Well all I know is, you must be wearing your ponytails
too tight...
