Kami ga sora ni moeagaru
Karada ga honoo no you yo

Ya da wa nande kou naru no
Honto ni mou okotchau kara

Koi wo shi-te setsunai mama
Amai yume wo mitetai no ni
Yurusenai aitsura no sei yo

Yappari watashi yarukkyanai ne
Tatakitsubushite yaru wa kono te de aku wo
Sou yo sore made ganbaranakutcha
Mezamenasai aoi senshi yo

Donna warui hito datte
Suki nara shinjite miru no

Sore wo riyou suru nante
Sonna no yatcha ikenai no yo

Itsu datte mamoritai no
Anata no tame tonde yuku wa
Ai dake ga kagirinai enajii

Nee watash-itachi yarukkyanai ne
Onna no ko no junjou misete yaru no yo
Nani ga nan de mo ganbaranakucha
Mune ni chikau ai no senshi yo

Nee watashi-tachi yarukkyanai ne
Tatakitsubushite yaru wa kono te de aku wo
Sou yo sore made ganbaranakutcha
Mezamenasai ai no senshi yo

Into the sky my hair bursts afire
My body is just like a flame

Oh no, why is it turning out like this
Now I am really burning up inside

While I am in love, and feeling heartache

Even though I want to have sweet dreams
They will not allow it, this is their fault

As I thought, it is I who must do this
By my own hand I will crush evil into defeat
That's right, until then, I must persevere
Awaken now, soldier of love

No matter how bad a person you are
If I love you, I will believe in you

Trying to take advantage of that
Is something that you must not do

I always want to protect you
For you I will go leaping forward
Only love is unlimited energy

Come on, it is we who must do this
We will show them the pure hearts that girls have
Whatever we do, in everything, we must persevere
Vowing in our hearts, soldiers of love

Come on, it is we who must do this
By our own hands we will crush evil into defeat
That's right, until then, we must persevere
Awaken now, soldiers of love
