I know that i'm not the first one  
You have loved in your past before me  
But when your lips touched my lips  
It felt like I was I kissing destiny here

Angel eyes, with your angel eyes  
Will you always be there to hold me? (humm)  
Angel eyes I am satisfied, I want to hear your story  
'Cause I can't see the things I really want to see  
By on by

I belive in what I'm feeling, I'll give everything up  
Just for you, love is devoted to those who see that  
They'll last as you'll dance with the truth

Angel eyes, with your angel eyes  
Will you always be there to hold me? (hmm)  
Angel eyes I am satisfied, I want to hear your story  
'Cause I can't see the things I really want to see  
Right in your eyes  
Angel eyes  
Just won't chu here to hold me  
(ahhh)  
Angel eyes

Angel eyes, with your angel eyes  
Will you always be there to hold me? (hmm)  
Angel eyes I am satisfied, I want to hear your story  
'Cause I can't see the things I really want to see  
by on by...
