Here I am standing in the night My crescent wand the only light Alone against my darkest fear But I sense my friends are near I'll draw from each the power I need The evil Oueen we will defeat

CHORUS

MotoLyrics

Give me the strenght to carry on With all our love we can't go wrong Only together we face the fight Nothing can stand against our might **REPEAT CHORUS** Give me the strenght to carry on (carry on) With all our love we can't go wrong Only together we face the fight (Face the fight) Nothing can stand against our might

With all our strength the battle's won With all our love we can't go wrong We have the strength to carry on
