My eyes are always jewels
My body clad in lamé and charms
Going through life is to
Try get a chance!
Because I have it here, I have strong dreams

Let's drive out the rivals
Filling the daytime
Instead of a smile or lips
An eyebeam is my special weapon

*Become me
□With a flash, sailor diamonds!
□A guardian born at daybreak
□Because it's me, they will come true
□Starlight prayers!
□Let's make up
□The sparkle is in my heart
□A sailor soldier, that is a
□Moonlight real girl

I lower my eyelashes silently
From my slender legs come tears rain
The distant road that she saw
I know will be found in my strong future

I'm totally calm, but still
My heart is depressed
When that happens, more than anyone
I send an eyebeam to you

Become me
With a flash, sailor wings!
A guardian running through the earth
Because it's me, I can fight this battle
I'll go make up, the sparkle is my forehead
A sailor soldier, that is a
Moonlight fortune

Become me
With a flash, catch me kiss again
Undo the ribbon on my sailor suit

Because it's me, I don't need anything anymore
Make up, at that moment
The sparkle I give to you
A sailor soldier
That is everlasting love

*Repeat
A sailor soldier, that is a
Moonlight real girl
