En mi sueñ±o (In My Dream - Heart Moving)

En mi sueñ±o, nos encontrãibamos tãº y yo,
las estrellas mil, protegãan mi amor.

Los mejores amigos siempre somos tãº y yo,
Nunca nada nos separarãi ni preocuparãi.
Hay momentos llenos de magia,
Magia en el corazã³n de los dos,
Sã³lo tãº me interesas,
ãiNo puedo ver a nadie mãis!

Algo cambia, cuando el amor llega hasta aquã,
y mi sueñ±o, al fin, se hace realidad.
De la mano, caminaremos tãº y yo
Las estrellas mil, protegãan mi amor.

In my dreams, you and me met,
Thousand of stars protected my love.

You and me are always best friends,
Nothing will separate or worry us ever.
There are moments full of magic,
Magic in the heart of us both,
I'm just concerned about you,
I can't see anyone more!

Something changes, when loves reaches here,
And my dream, at last, becomes true.
By hand, we both will walk,
Thousand of stars protected my love.
