(first verse)

Deep in my soul
Love so strong
It takes control
Now we both know
The secrets bared
The feeling show
Driven far apart
I'll make a wish
On a shooting star

(chorus)

There will come a day
Somewhere far away
In your arms I'll stay
My only love
Even though you're gone
Love will still live on
The feeling is so strong
My only love
My only love

(guitar solo)

(chorus part two)

There will come a day
Somewhere far away
In your arms I'll stay
My only love
You've reach the deepest part
Of the secrets in my heart
I've known it from the start
My only love
My only love
