Will you miss me when i'm gone?
Will you remember all the good times we had?
the hardest part about leaving is saying good-bye.

But I'll only be a memory away.
I'll miss you more then i can say.
And when I dream
I'll just dream of that you
I'll be only a memory away.

You're something special to me.
Friendship is something that money can't buy.
And if you need me, you know that I'll be there for you.
I'll only be a memory away,
I'll miss you more than I can say.
And when I dream, I'll just dream of that you

I'll only be a memory away.
I'll miss you more than I can say.
And you will see, I will be there for you,
I'll be only a memory away.
