Well i saw you selling shoes  
You looked pretty neat  
And i got a proposal for you  
I think you'll think that it's pretty neat  
Let's live in a U-haul  
The backs open to the starry sky's  
If we lived in a big yellow U-haul  
I'll work the radio while you drive  
Park it in the full serve and we'll serve ourselves  
Wearing multi colored hats  
Are you in a bow at the renaissance  
Slipping back afrodisiacts  
Lets live in a U-haul  
the backs open to the starry sky's  
If we lived in a bug yellow U-haul  
I'll work the Radio while you drive  
Repeat Chorus 2 times
