"Anymore"

I Packed My Bags The First Thing This Morning
I Packed All My Changes In There, Too
Erased All The Numbers And Addresses
And All The Memories Of You

Chorus:

Because I Don't Care About You Anymore
Because I Don't Think About You Anymore
Because I Don't Call About You Anymore
Because I Don't Dream About You Anymore
I Won't Cry About You Anymore
I Won't Laugh About You Anymore
I Don't Ask About You Anymore
I Don't Care About You Anymore

When I Catch Myself From Crying
I Stare So Far Into My Soul
But All Along I Get A Feeling
How Something Wrong Can Take it's Toll

(Chorus)

If It Doesn't Kill Us Well I Guess It Makes Us Stronger
But My Strength Is Aching As My Eyes Just Drift Away

(Chorus)
