Here's A Story About A World  
And All The Places We Come From  
There's A Little Store On Every Corner  
The Games We Used To Play For Fun  
And Here's A Thought That I've Been Thinking  
Just A Mild Case Of What I Know  
While All The Babies Eyes Are Sleeping  
Another World Is On The Go

We're Changing Fast Our Race And Color  
The Way We Call The Earth Our Mother  
The Hypocrites In A Peaceful Outcry  
Stopping Wars Before They Can Die

There's A Picture On The Wall  
Of Elvis In Las Vegas  
The Giving Tree Of Lights  
Did He Wonder Where The Highway Takes Us?

Enough Enough I Just Can't Take It  
We're Out Of Gas It Just Won't Make It  
The Fire Now Is Left Still Burning  
This Great Big World Just Keeps On Turning

I Don't Know The Way Of The White Man  
A Fist Full Of Lust For A New Land  
Made To Combust In A Fools Hand  
Don't Crawl On Your Knees If You Can Stand

Here's A Story About A World  
And All The Places We Come From  
There's A Little Store On Every Corner  
The Games We Used To Play For Fun  
And Here's A Thought That I've Been Thinking  
Just A Mild Case Of What I Know  
While All The Babies Eyes Are Sleeping  
Another World Is On The Go

(Chorus)

This Great Big World Just Keeps On Turning
