It turns me inside out
It turns me inside out
It turns me inside out

Another day, another night
Another war, another fight
But no one ever seems to win

It turns me inside out
It turns me inside out
It turns me inside out

I'm asking questions I need to know
Unanswered still they let me go
I'm such a fool to wait for you

A dance that I forgot
A place inside where I'm not
Where I believe the heart belongs

It turns me inside out
It turns me inside out
It turns me inside out

To say goodbye to the one I love
I stand alone, being pushed and shoved
Crying child can't you understand

Another day, Another night
Another war, another fight
But no one ever seems to win

A dance that I forgot
A place inside where I'm not
Where I believe the heart belongs

It turns me inside out
It turns me inside out
It turns me inside out

It turns me inside out

It turns me inside out
It turns me inside out

It turns me inside out
It turns me inside out
It turns me inside out
