"Nothing Lasts For Long"

Take my hand and walk with me
And tell me who you love
Make a wish if you can see
The first star from above

You ever feel so deep and lost
Somewhere in the past
And is it wrong to not hold on
If nothing ever lasts

Maybe nothing lasts forever
Not the mountains or the sea
But the times we had together
They will always be with me

The sun is down and
The wind is calm
As it gently fades away
I wonder then and I think of you
And how nothing ever stays

Take my hand and walk with me
And tell me who you love
Make a wish if you can see
The first star from above

Nothing lasts for long
