Would you catch me if I was falling?
Would you answer if I was calling?
Could you love me with my eyes closed?
'Cause I saw something and I don't know what to do

I saw Jesus standing on the water
Burned out buildings flooded to the alter
Sacred stones and no one knew the meaning
I just got there when everyone was leaving

Would you stay here if I was laughing?
Hunched all over on my side
'Cause I saw something and I don't know what to do

I saw babies crying in the sewer
Where's the mother? The father never knew her
In the headlines they say the sky is falling
Circus fire and the elephants are stalling
They're stalling

Would you catch me if I was falling?
Would you answer if I was calling?
Could you love me with my eyes closed?
'Cause I saw something and I don't know what to do

I felt things that no one else was feeling
A thousand headlights shining on my ceiling
Trapped beneath you, screaming for a doctor
Help me, help me, call the helectopters

I saw Jesus standing on the water
Burned out buildings flooded to the alter
Sacred stones and no one knew the meaning
I just got there when everyone was leaving
