ALEX:

Love, and your  
World can become  
A madhouse.  
Love and your  
World can become  
A circus.  
Love turns around...

Jenny, your  
Love is a  
Drug that I dare  
Not take, a  
Drug to make me mad...

Rose, I'd never  
Harm the girl.

JENNY: (overlapping)  
Love  
Has turned my  
World around,  
And my  
World now turns round  
Alex...

ROSE:  
Love should not  
Be used as a weapon.  
Why, Alex,  
Why can't you  
See it's George you're...?

ALEX, JENNY
