Hey  
I want your skin to get me off  
You  
Make it sound so fucking pure  
Take  
In what you once thought was hate  
Push  
And pull back yourself

And now I want to make it right  
And you can't take that away from me  
And now I want to make it right  
And you can't take that away from  
Me

Strive  
To make you cower like a pig  
Sit  
Sit and squirm in your own stink  
You  
Have been the sickest of them all  
Crawl  
Back to the way it never worked

And now I want to make it right  
And you can't take that away from me  
And now I want to make it right  
And you can't take that away from me

And now I want to make it right  
And you can't take that away from me  
And now I want to make it right  
And you can't take that away from me

Did you want me to mistreat you?  
Did you want me to pretend?  
Did you want me to mistreat you?  
Did you want me to pretend?

Did you want me to mistreat you?  
Did you want me to pretend?

Did you want me to mistreat you?  
Did you want me to pretend?
