This is the way it feels  
When you are lost  
Can't help feeling  
I've given up  
A lot more than I got  
No hope inside  
Believe me when I see surprise  
On your face and in your lies  
You spewed to me  
On our wedding day  
And I can't face you  
You come out swinging  
You'd better hope your aim is true  
Come out swinging  
You might be swinging from a noose  
She's tellin' lies  
I realize  
She's tellin' lies  
About you again  
I realize  
She's not my friend  
No one wants to hear you  
When you're down  
Turn their backs and  
Turn off the phones  
And draw the shade  
Estranged from hope  
Desperate and alone  
It's getting difficult to swallow  
Or work up a sound  
Anymore, anyway  
And I can't face you  
You come out swinging  
You'd better hope your aim is true  
Come out swinging  
You might be swinging from a noose  
She's tellin' lies  
I realize  
She's tellin' lies  
About you again  
I realize

She's not my friend  
(Repeat Chorus)
