Hey baby
I've been up all night
Trying to make sense of my life

Days breaking
Things are getting bright
After all this time

And any fool could see
That you're the best thing
That's happened to me

4:35 in the morning
Everything is clear

4:35 in the morning
I wish that you were here

So lately
I've been coming home
Sleepy, all alone

Don't hate me
Left here on my own
Staring at the phone

And any fool could see
That you're the best thing
That's happened to me

4:35 in the morning
Everything is clear

4:35 in the morning
I wish that you were here

4:35 in the morning
Everything is clear

I hear the phone

Its ringing loud
Im coming alive

4:35

4:35

Yeah any fool could see
That you're the best thing
That's happened to me

4:35 in the morning
Everything is clear

4:35 in the morning
Everything is clear

4:35 in the morning
4:35 in the morning
4:35
