You know the hurt's so deep  
That I can't sleep or eat  
And what I'm hoping for  
Is to feel your kisses sweet

If we could just talk  
Things might be a little more clear  
I really need the chance  
To explain the way I feel

I can't sleep  
(Can't sleep)  
Thinking of you constantly

I can't sleep  
(Can't sleep)  
Wishing you were here with me

I can't sleep  
(Can't sleep)  
Where are you please?

When I get home from work  
Sit down and watch TV  
The night falls  
Just like a bad dream

I can't sleep  
(Can't sleep)  
Thinking of you constantly

I can't sleep  
(Can't sleep)  
Wishing you were here with me

I can't sleep  
(Can't sleep)  
Where are you please?

I can't sleep  
(Can't sleep)  
Thinking of you constantly

I can't sleep  
(Can't sleep)  
Wishing you were here with me

I can't sleep  
(Can't sleep)  
Where are you please?
