I'm driving home for christmas,  
Oh, I can't wait to see those faces.  
I'm driving home for christmas, yeah,  
Well I'm moving down the line.  
And it's been so long,  
But I will be there;  
I sing this song  
To pass the time away  
Driving home for christmas  
Top to toe in tailbacks.  
Oh, I caught red lights on the run,  
Get my feet on snowy ground.  
So I sing for you,  
Though you can hear me  
When I get through  
And feel you near me.  
I'm driving home for christmas  
With a thousand memories.  
I'm driving home for christmas,  
I look at the driver next to me;  
He's just the same.
