You wanna play cards? the bet is two and a half thou.
The bet? I'll tell you what the bet is. and I'll raise you six thousand dollars.
You son of a bitch, you've been steamrolling over me all night! what are you trying to tell me? one card, you've got a flush, a full, what? I think you're bluffing, pal. I think you're trying to
It.

Then you're going to have to give me some respect, or give me some money.
I think you're bluffing.
What are you, joe capp? I didn't ask what you think.
raise, call, or fold.
I should raise your ass. but I'm just gonna call.
My marker's good for the money.
