George, he called to say that he'd be late  
There's something on the TV around eight

If you could see me and if you could see me, ooh  
And if you could see me, ooh

Talk to you at night when you're asleep  
I say, I deserve better than this

If you could see me and if you could see me, ooh  
And if you could see me, ooh

Spring-time came, George didn't care at all  
No-one's broke my heart like this before

If you could see me and if you could see me, ooh  
And if you could see me, ooh

It's spring-time
