Crazy superstitions on my mind
Could they help me get you back for good?
Such a striking combination's gone away
Could I save it if I knock on wood?

Did I have a chance and fail to keep it?
Lose my dream and let it slip away?
Will my destiny remain a secret?
Well that's okay

Everyone should have a reason to believe
So I still believe
That lightning could strike twice for me

Yeah, Yeah, Yeah

Everytime I find a feeling's gonna be
Suddenly I see
That lightning could strike twice for me

Yeah, Yeah, Yeah

Sitting down to read the stars again, maybe they can
tell me what's in store
Now I'm mixing up a magic potion that's gonna get you
banging on my door

Did I have a chance and fail to keep it?
Lose my dream and let it slip away?
Will my destiny remain a secret?
Well that's okay

Everyone should have a reason to believe
So I still believe,
That lightning could strike twice for me

Yeah, Yeah, Yeah

Everytime I find a feeling's gonna be
Suddenly I see
That lightning could strike twice for me

Yeah, Yeah, Yeah

And I'm working on a silent song
Oh baby, oh baby
Got a feeling that it won't be long
Oh baby oh baby

Well don't you know that
Everyone should have a reason to believe
So I still believe,
That lightning could strike twice for me

Yeah, Yeah, Yeah

Every time I find the feeling's gonna be
Suddenly I see
That Lightning could strike twice for me

Yeah, Yeah, Yeah
