[announcement sample:]

"thankyou, every - come on, give her a proper liverpool hand, you can do better than that!

And now ladies and gentlemen, what you've been waiting for:"

[sung:] I've come a long way. /

[spoken:] I've come a long, long way since the day you walked into my life.

[sung:] you walked into my life. /

[spoken:] you smoothed out all the rough edges with your sweet love and devotion.

[sung:] I was tired, / in love like a fool. /

[spoken:] I was tired of living the life of a fool, I was wondering where I'd gone wrong.

[sung:] but I know / it's gonna work out fine. /

[spoken:] but I know it's gonna work out fine, when I see that look in your eyes.

[sung:] yeah! /

I've never felt so good, / I've never felt so strong, /
Nothing can stop us now! (no no, no no)

[sung:] I've heard some people say. /

[spoken:] yeah, nothing can stop us now. I've heard people say that a man who needs a woman is weak,

[sung:] so wrong, oh so wrong. /

[spoken:] but they're so wrong, because nobody can hide from love.

[sung:] do, do you want to know? /

[spoken:] do you want to know, do you want to know something else that's true?

[sung:] it's true, it's true, the touch of your hand, oh. /

[spoken:] just the touch of your hand, and I know we can make it.

[sung:]

I've never felt so good, / I've never felt so strong, /
Nothing can stop us now! /

I've never felt so strong, / I've never felt so good, /
Nothing can stop us now! [whispered:] (nothing!
nothing!...)
