This girl in 23  
Could've sworn she was looking at me  
What's the sound coming out of her door?  
Crazy moves I've never heard before  
With a wiggle and a spring in her step  
Wearing fancy clothes, you bet  
Everybody just stops to stare  
Without a stare she don't care

All the boys wanna know what's on her stereo  
(I don't know)  
They say her room is like a Japanese video  
(Well, I don't know but what I do know is...)

At night she's so wonderful, wonderful  
At night she's so magical, magical  
At night she's so beautiful, beautiful

Wouldn't go with Brad Pitt if you paid her  
She's more into James Spader  
Doesn't notice all the troubles around her  
Oh, yeah, I'm so glad that I've found her

All the girls think her car is over-familiar  
(I don't know)  
They say she's from a castle in Bulgaria  
(Well, I don't know but what I do know is...)
