[intro announcement:]

Get on the floor and look real sexy!

Saw you,
And when I saw you
I thought "this is real,
This is real!"
Kissed you,
And when I kissed you,
I whispered "forever,
Forever!"

I love the way,
I love the way you move
I love the way,
I love the way you move
Just lose yourself,
Lose yourself in circles of sound.

People get real,
People get real,
People get real!

Knowing
The way the way we are feeling
You told me that we'd turn clean,
??? we turned clean.
Talking,
Taking advantage.
The other side of your dreams
Of your dreams.

Don't tell me
This is precious!
Don't tell me
This is soulful!
Well you have to be,
Have to be kidding me on!

People get real,
People get real,
People get real!

So don't stop,
Don't stop believing,
No and don't stop,
Don't stop believing,
Just keep on, keep on, keep on believing it's here.

People get real,
People get real,
People get real!
