I saw you from across the street, /  
Called to your friends. /  
I haven't seen your smile all week - /  
I know something's wrong. /  
I went and bought another book; /  
I'll lend it to you. /  
Maybe we could get some food, /  
I don't think you should be alone. /  
This is the morning of another day, /  
And you kiss another dream away, /  
Ready or not. /  
You never say the things you should. /  
You didn't, and you never could, /  
Like it or not. /  
They said you're off to fight the cause /  
In your own time. /  
You're always trying to change the rules. /  
I know something's wrong. /  
I got myself another job /  
In the same town. /  
Me and scott, we got engaged... /  
I don't want to be alone. /  
This is the morning of another day, /  
And you kiss another dream away, /  
Ready or not. /  
You never say the things you should./  
You didn't, and you never could, /  
Like it or not. /  
I never meant to hide a thing. /  
It's too late for me to start promising /  
Or crying again. /  
This is the morning of another day, /  
And you kiss another dream away, /  
Ready or not/  
You never say the things you should. /  
You didn't, and you never could, /  
Like it or not. /  
I never meant to hide a thing. /  
It's too late for me to start promising /  
Or crying again. /

This is the morning of another day, /  
And you kiss another dream away, /  
Ready or not/
