She
She's the one
She
She's the one

She's the girl who thinks nothing of
Breaking up two people in love

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

She
She's the one
She
She's the one

Saw her again last night
I saw her with another guy

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

She
She's the one
She
She's the one

In this world of ups and downs

She's the one

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
In this world of ups and downs

He kissed me
He kissed me
He hit me
And it felt like a kiss

In this world of ups and downs
In this world of ups and downs
In this world of ups and downs
