I found some time to stop and think it over  
And all I know is thank you

I never knew where to begin  
Or where it would end  
I never knew where to begin

I want to be exactly where you're going  
The land, the sea, thank you

I never knew where to begin  
Or where it would end  
I never knew where to begin  
Ooh

I never knew where to begin  
Or where it would end  
I never knew where to begin  
Ooh

I never knew where to begin  
Or where it would end  
I never knew where to begin  
Ooh
