Plane / or a boat, / get away, / got to go. /
Stood in / the snow, / no sound / alone. /
Everybody thinks they know the answers, /
Everybody wants to be courageous, /
Standing on a corner, waiting for a taxi, / suddenly it
seems so clear. /
Plane / or a boat, / get away, / got to go, / get away. /
Everybody thinks they know the answers, /
Everybody wants to be courageous, /
Standing on a corner, waiting for a taxi, / suddenly it
seems so clear. /
Plane / or a boat, / get away, / got to go, / get away. /
