English translation

The dream got torn
when the cross which guided people fell into darkness.
The dice is cast: Is today the beginning
of a new period or of the last one?
That's why, if the person I love is blocking my way,
I, gently, with a frozen kiss.....will give up love
There won't be two lives
I'll give up love
I'll choose death instead of you. The curtain is fallen,
your tears won't be wiped on my chest.
If only a bit of rose scent remained in my memories,

doubts would make me falter so...I'll give up love
Tear up my heart
I'll give up love
I'll seal our depart with blood.I'll give up love (Get my
Way)
There won't be two lives
I'll give up love (For the Fight)
I'll choose death instead of you.I'll give up love (Get my
Way)
There won't be two lives
I'll give up love (For the Fight)
I'll choose death instead of you.I'll give up love
Tear up my heart
I'll give up love
I'll seal our depart with blood.
