It's nine o'clock and I lie here in my room
Trying to think what to say
A million words keep running through my mind
But they all get in the way
So I close my eyes

You're indescribable
You're everything that I need
If I weren't so shy I would
Tell you all that I dream
But you just sit there looking back at me
With those eyes

And I drown in the sea Deep blue sea Deep blue sea

You amaze me every time I see you
I can't believe that you're real
Someone so astounding, amazing, unbelievable
Still can't describe how I feel
So I close my eyes

You're indescribable
You're everything that I need
If I weren't so shy I would
Tell you all that I dream
But you just sit there looking back at me
With those eyes
You just sit there looking back at me
With those eyes

And I drown in the sea

Deep blue sea
