I said I was shy  
You said that was fine  
You weren't going anywhere  
I said take it slow  
I don't even know you  
You said we had plenty of time

Such a nice boy  
You held my hand  
Thought at least you'd understand

Have you ever given your heart?  
Don't you understand love  
Is more than the touch  
Of another's hand  
Don't expect my heart just to burn  
When you want it to  
You gotta give in return  
If you wanna be mine

I heard from a friend  
That you were seen  
With that other girl from before  
Why don't you ring  
You use me then leave  
Is it back to her you crawl

So full of yourself  
You don't understand  
I'm better than you think I am

Have you ever given your heart?  
Don't you understand love  
Is more than the touch  
Of another's hand  
Don't expect my heart just to burn  
When you want it to  
You gotta give in return  
If you wanna be mine

So full of yourself

You won't understand  
I'm better than you think I am

Have you ever given your heart?  
Don't you understand love  
Is more than the touch  
Of another's hand  
Don't expect my heart just to burn  
When you want it to  
You gotta give in return

Have you ever given your heart?  
Don't you understand love  
Is more than the touch  
Of another's hand  
Don't expect my heart just to burn  
When you want it to  
You gotta give in return  
If you wanna be mine  
If you wanna be mine
