Shake 'em all up  
Make 'em all move  
Like a six storey lover with an attitude  
I'm checkin' you out, you're knockin 'em dead  
I asked the sky writer  
This is what she said

(Chorus)

You're all the best things in one place, one place  
You're the day-breaker, you're a freaked-out superstar  
You're all the best things in one place, one place  
And I-I-I I am all about you

Hey hey hey  
Hey hey hey

Pick 'em all up, nothing to prove  
A straight no-chaser like you own the room  
(Hey hey hey)  
Turning them out, you're making 'em sweat  
I heard the kids screaming on the day we met

(Chorus)

Hey hey hey  
Hey hey hey

It's moving fast, it's catchy  
No street signs, keep rolling  
It's moving fast, it's catchy  
No street signs, keep rolling  
rolling, rolling, rolling...

(Chorus x2)

Hey hey hey  
Hey hey hey
