I want to be in that spot again  
I liked it there  
The perfection surely outweighs  
What you think will be lost  
And I promise there's nothing to lose  
In trying  
Please try it

And I suppose I should sit this out  
Go round and round the roundabout  
Cause I know when the music slows  
The ride'll stop and we'll be home

The morning came yet before the sun  
I left the one  
Whom I'd adored forever  
Cause awake in the dark  
I desperately struggle with thoughts  
To have you near  
Damn my stupid fear

And I suppose I should sit this out  
Go round and round the roundabout  
Cause I know when the music slows  
The ride'll stop and we'll be home  
I don't want this to be a dream  
Because you & me why can't you see?

Now I can wait, or I can go  
Would you let me know  
Cause your eyes are so deceiving  
And my patience is good  
But it fails me too  
And I'm so tired  
Can I sleep again?

And I suppose I should sit this out  
Go round and round the roundabout  
Cause I know when the music slows  
The ride'll stop and we'll be home  
And I don't want this to be a dream

Because you & me why can't you see?
