I no longer hide
When I'm by your side
I don't have to cry

When I'm in your room
When the door is closed
I don't have to cry
I am not alone

When the night is closing
When the day is done
After it's all over
Where are dreams are spun

Far beyond the sunset
Over all those hills
Up into the mountains
Where the rocks are still

Way before tomorrow
But after today
In our darkest moment
That is where I'll stay

I am in the corner
The waiting perfume
Happier than smiling
When I'm in your room

I am not alone
