Thirsty and miserable

You drop to the floor

You drink 'til you can't

See any more

Thirsty and miserable

Always wanting more

Thirsty and miserable

Always wanting more
My brother wants a ride

To the liquor store

You pity him for what

He wants it for

Thirsty and miserable
Always wanting more

Thirsty and miserable

Always wanting more
It 's 1:30 and we 're

Getting nervous

Because the store closes at two

And there 's not enough

To last us all, oh fuck!

Thirsty and miserable

Always wanting more

Thirsty and miserable

Always wanting more
