

you say i love you i said repeat.. repeat
i said repeat..
repeat my love repeat
so u said i love you

say it my soul
you are my soul
say it my love
you are my love
so you said my love and repeat
repeeeeeeeeeaaaaat
repeat my love repeat

loud up ur voice above the whisper
you get my morning and my yesterday

and tomorrow and every new day
tomorrow and every new day

ahhhh

tomorrow and every new day

the nightly chat gets pleasant
the nightly chat gets pleasant
gets pleasant with you and me hey moon
