I'm so mad, about all the times, that you and I, could have had.  
Did you think, that some one else, could have made you feel...better?  
It was you, It wasn't me.  
Don't lie to me, you know better.  
Even though, now I know, that it doesn't matter.  
I want you to know, I'm done with you for sure.  
Theres nothing anymore.  
I want you to know, that you can't hurt me, I'm not yours.  
Stay away from me...be warned.  
You've had your time to play.  
Don't wanna be stuck up in your games,  
I know your never going to change.  
I've told you so many times,  
That I'm tired of your lies.  
It's killing me inside.x2  
I'm tired of your lies and your running around,  
Your messing with my dreams and your tearing me down(tearing me down).  
I'm so mad, about all the times, that you and I, could have had.  
Did you think, that someone else, could have made you feel....better.  
It was you.It wasn't me.Don't lie to me.You know better.  
Even though....now I know...that it doesn't matter!
