Now that I found you, theres no way that I will let you
gox2(Let you gox2)
Finally I....found someone for mine.
I want him all the time(all the time)and he treats me
right.
Finally I.....left you in the night(Right where you
BELONG)
Boy It serves you right...no more will I cry.(no more)
You found me and I found you(Yeah,Yeah)
I'm not leaving and neither are you(Yeah,Yeah)
It's so sweet and I'm happy to be part of you(Yeah)
Your all I'm breathing, for life I'm meaning(Yeah,Yeah)
What did you do to me ...baby(What did you do to
mex2)
You got me feeling so crazy(What did you do to mex2)
From a falling sky, to a higher ground(yeah,yeah)
From an 'endless' night, to a brand new
dawn(Yeah.Yeah)
You found me and I found you (Yeahx2--I finally found
you)
I'm not leaving and neither are you(Yeahx2)
It's so sweet and I'm happy to be part of you (Yeah)
Your all I'm breathing..for life I'm meaning(yeah,for
life)
