I've been searching for, someone to love me more.
And I will search the floor, for pieces of my broken
heart.
I've been thinking of you, I've been dreaming of you,
and I've been feenin' for you baby.
I've been crying for you, slowly dying for you, and I've
been needing you, baby.
Since you've been gone, I can't stop the rain(x3).I've
been so alone, can't stop the rain(x3).Where do I go?
Can't stop the rain(x3)I need you to know, can't stop the
rain(x3).Lost without you, found someone new, what
could, could I do?
Betrayed and left bruised, I found you, and I feel, so
brand new.
We can play out in the rain, remember those times we
had again, all our tears dried by the rain, the sun and
shadows fight deep within.
I've been thinking of you, I've been dreaming of you,
and I've been feenin' for you baby.
I've been crying for you, slowly dying for you, and I've
been needing you, baby.
